From the Brandon Republican.

A Word to Landlords. We take the liberty of suggesting to land owners to look into the laws before they undertake to fix up contracts for the rent undertake to fix up contracts for the rent of their land. As the law stands no landlord has any lien upon the property of his tenant for rent until he has it seized under are attachment for rent, and his lien commences from the time of the levy; and even then, if there is a mortgage for supplies recorded which is older than the levy, the mortgage will take the property. The agricultural lien law does not give any lien to the land owner for rent.

The easiest and best way is for the landlord to take a note for the rent and take a does not give any lien to the land owner for the rent and take a lord to take a note for the rent and take a lord to take a note for the rent and take a deed of trust upon the crops to secure it, and then have it recorded, and if older than the mortgage lien he will get his pay out of the crops. Let the note be for so many dollars and cents, and not for a part of the crop or for so much cotton.
